City Green Ridesharing

www.ridematch.511.org

City of Mill Valley employees can start carpools with ease by taking advantage of the existing 511.org rideshare program.

1 Register online!

Go to www.ridematch.511.org. During registration choose City of Mill Valley as your employer from the drop down menu.

2 Making changes to your commute schedule is a snap!

The default work schedule indicates your usual start and stop dates for work. It also allows for flexibility with times.

The actual work schedule allows you to make exceptions to your schedule within the work week. This can always be edited after you have registered on a daily or weekly basis.

3 Limit your ride partners to Mill Valley employees!

On the registration screen you can match preferences to City of Mill Valley employees or select 'All Regional Matches' to expand your potential partners.

4 Easy mapping lets you expand your home radius for more matches!

Find your closest ride matches once you are all signed up. Send a ridematch request email to anyone on your list.

You can improve your matchlist by increasing the distance you are willing to travel around work and home or expand your search outside of Mill Valley employees to the entire 511 ridematch community.
