FOR IMMEDIATE RELEASE

Daytime On-ramp Closure for Vegetation Reduction Work in Mill Valley

E. Blithedale Avenue on-ramp closed starting October 31 between 10 a.m. and 4 p.m.

MARIN COUNTY — Caltrans will begin its roadside vegetation reduction work in October along US-101 south in Mill Valley. This work reflects Caltrans' partnership with the Southern Marin Fire Department and is part of a state-wide effort to reduce fires throughout California.

Revised dates: There is a scheduled on-ramp closure for E. Blithedale Avenue for US-101 south from **Monday, October 31** through **Friday, November 4**. The work will continue **Monday, November 7** through **Wednesday, November 9**. There will not be any work done on **Thursday, November 10** or **Friday, November 11**. The work will continue **Monday, November 14** through **Friday, November 18**. All times are **10 a.m. until 4 p.m.** Caltrans will work to take any opportunities to reduce closure dates and duration as the project progresses.

CMS signs will be on site to let drivers know about the upcoming work.

Detour due to E. Blithedale Avenue on-ramp closure

From E. Blithedale Avenue, take the US-101 north on-ramp
Drive north about three miles
Take the off-ramp for Paradise/Tamalpais Drive in Corte Madera
Take the on-ramp for US-101 south

Caltrans is working with local, regional, and state fire marshals to prioritize areas for vegetation control projects to reduce the ability for a fire to spread quickly.

The work will include mowing, removing low-hanging limbs from trees that assist a fire to climb into the canopy, removing dead and dying trees and thinning

TRAFFIC ADVISORY

dense tree stands. Trimming and removals will be prescribed by a registered professional forester trained in forest fire fuel reduction.

Changeable message and directional signs will be in place to assist motorists traveling in the area. The California Highway Patrol (CHP) will be on-site during the closures.

Caltrans will perform other vegetation management work later this fall on US-101 northbound and southbound - just north of the Robin Williams Tunnel (Waldo Tunnel) in Sausalito. Specific times and dates will be announced in the coming weeks.

Please drive with caution. Slow for the Cone Zone and Be Work Zone Alert. Caltrans thanks motorists for their patience while we work to maintain our state's highways, bridges, and tunnels.
