FOR IMMEDIATE RELEASE

Lower Half of Manzanita Park and Ride Lot in Mill Valley to Close Due to Projected High Tides

Closure scheduled January 17 through January 24

MARIN COUNTY — Caltrans maintenance will close the lower half of the Manzanita Park and Ride lot, along with the shoulder parking on Highway 1, in the city of Mill Valley from **Tuesday, January 17** through **Tuesday, January 24** due to forecasted hightide flood warnings.

The lower half of the park and ride lot will remain closed 24 hours per day during this period to prevent overnight parking in the lot, and to ensure the safety of motorists that frequent this park and ride lot.

Caltrans will turn on Changeable Message Signs (CMS) in the park and ride lot starting on **Monday, January 9**, to notify the public.

High tides alone can flood the lot at certain times of the year. Caltrans closes parts of this lot when rains and/or tides are likely to produce problems.
